

~\*~ Examination News ~\*~

The timetable for Public Examinations is published below. Candidates will be directly advised, both by their subject teacher and by letter home if they are entered for any subjects. The timetable will also be published on the school website.

A reminder for Year 11 - Mock Examinations will be held 9th -18th December inclusive. Mocks sometimes aren't taken seriously by some pupils. Please be aware that they are used by teachers to assess examination performance and the results may influence the decision on whether a pupil is entered for a Higher or Foundation tier. Similarly, if, as happened last year, some schools were closed due to unforeseen circumstances, such as an outbreak of swine flu, then mock examination results are used by the boards as a contributing factor when awarding grades.

Summer 2010 Examinations run between 19 May and 30 June inclusive. Please do not book holidays during this period. Public examinations cannot be moved.
