

**CLEEVE PARK SCHOOL**

**NOTICE TO PARENTS/CARERS & VISITORS**  
**CEILING WORKS CLOSE SCHOOL HALL FEBRUARY-MAY 2010**

Following a recent building inspection it has been confirmed that some of the ceiling tiles in the main school hall appear to be at risk of falling and that the whole ceiling in the hall will need to be replaced.

In order to avoid any risk to pupils, staff and visitors the hall has been closed and the Local Authority is seeking to engage contractors to undertake the work. Consequently the school hall will be sealed off and out of use for up to 12-15 weeks, along with appropriate access routes for the contractors, their equipment and associated waste material and detritus.

Students will be instructed to remain well away from these areas for the duration of the works.

In the mean time, alternative arrangements for events and assemblies will be arranged. This will include parent consultation evenings which will have to be relocated to a less suitable venue in the school. I would like to ask for the patience and co-operation of parents/carers and visitors while these circumstances apply.
